

User Responsibility on Bug Bounty Platform By using our bug bounty platform, you acknowledge and accept the following responsibilities:

- Ethical Conduct:** You are responsible for conducting yourself ethically and within the bounds of the law. Any actions that violate ethical guidelines, laws, or the terms of service of our platform are strictly prohibited.
- Scope and Rules:** It is your responsibility to understand and adhere to the rules, terms, and scope defined by each bug bounty program. Failure to comply with program-specific guidelines may result in penalties or removal from the platform.
- Privacy and Data:** You must respect the privacy and confidentiality of the platform, its users, and any information or data you access during testing. Do not share or misuse any sensitive data.
- Reporting:** You are responsible for accurately and promptly reporting any security vulnerabilities or findings to the appropriate bug bounty program, adhering to their disclosure policies.
- Legal Obligations:** Users are accountable for any legal obligations, including but not limited to non-disclosure agreements (NDAs) or contractual agreements, when participating in bug bounty programs.
- No Unauthorized Access:** You must not attempt to gain unauthorized access to systems, networks, or data. Focus on testing within the defined scope and boundaries.
- Own Risk:** Engaging in bug bounty activities involves inherent risks. You are participating at your own risk, and we are not liable for any legal or security consequences arising from your actions.
- Continual Learning:** Stay informed about industry best practices and security standards. Continuous learning and improvement are essential for responsible bug hunting.
- Communication:** Effective and respectful communication with program owners, platform administrators, and other users is crucial. Engage in a professional and cooperative manner.
- Platform Changes:** We reserve the right to modify the bug bounty platform, its policies, or terminate your access at our discretion. It is your responsibility to stay updated on platform changes and policy updates.
- Legal Compliance:** Users must comply with all applicable laws and regulations while participating in bug bounty activities.

By using our bug bounty platform, you acknowledge that your participation is subject to these responsibilities and that you are solely responsible for your actions. Failure to adhere to these responsibilities may result in the suspension or termination of your account. Remember that ethical and responsible behavior is of utmost importance in the bug bounty community. We encourage you to report security issues responsibly and contribute to a safer online environment
